In the name of God, the most Compassionate, the most Merciful

The exalted brother Adel Baterji

God's peace, mercy, and blessings be upon you

Our honorable Sheikh, the brother General Commander of the Hizb-i-Islami/Hikmatyar, and his name is Sharafat (*phonetic*) from the area of Miral Abad (*phonetic*), and they are in utmost need for some items, the most essential of which is:

1. Ammunition, due to their non-availability on the front lines.
2. A car, as they have a very worn-out car.

Our honorable Sheikh, we would like to inform you that if they were not in such need, this letter would not have been written, and we ask God to grant you success, and may God reward you with goodness, on our behalf and that of the Mujahideen.

Your brother,

Abu Yasir
